MSD Malaysia’s Notice of Data Practices for Health Care Professionals

	<ul style="list-style-type: none"> agreements you have executed with the Company payment-related information, including tax identification number your communications preferences information about your scientific and medical colleagues and leaders in your specialty area <p>The examples provided are not all-inclusive. MSD also may collect similar or related information.</p>
How?	<p>In the section below, we list the reasons that pharmaceutical companies like MSD typically may share personal information about health care professionals, the reasons that MSD shares this information, and whether you can limit this sharing. MSD implements reasonable and appropriate security measures to protect personal information in accordance with its sensitivity from loss, misuse and unauthorized access, disclosure, alteration or destruction.</p>

Reasons personal information about you could be shared	Do we share?	Can you limit this sharing?
To companies MSD collaborates with: to use for their own products and services	No, unless you provide your express (opt-in) permission for this sharing.	Yes
To companies that MSD does not collaborate with: to use to market to you	No, unless you provide your express (opt-in) permission.	Yes
Reporting to government authorities (such as FDA in USA)	Yes, for example, to report safety information about our products.	No
To parties in relevant legal proceedings as authorized by the presiding court or tribunal and otherwise to the extent required or explicitly authorized by applicable law	Yes	No
In the event that for business reasons Merck & Co., Inc., Kenilworth, NJ, USA decides to divest part or all of its business through sale, merger or acquisition, to actual or prospective purchasers	Yes, based on written agreements that personal information will be protected appropriately in these circumstances.	Generally, no, except where local law permits you to opt-out or requires your express consent.
With companies globally that provide services on our behalf and in accordance with our instructions (for example, to deliver specific information you have requested)	Yes, if the business operation is supported by another company. As a global company, we may work with companies around the world to provide services for or on our behalf, and we will require those companies to protect personal information in accordance with applicable laws, rules and regulations and Company privacy policies.	<p>Generally, no. We have instituted policy, contractual and administrative mechanisms requiring protection of personal information by other companies that process personal information on our behalf globally. However, where local law provides a right for you to limit this sharing, we will comply with such requirements.</p> <p>In circumstances where our business operations are supported by other companies, such as a company that we contract with to mail the materials you request, you will not be able to limit this sharing and still receive the service.</p>
